2013

Morgan sent Arthur's team to Collège Jean-Loup Chrétien in 2013.

There was nobody in the hall, Arthur went into a classroom.

The pupils were surprised !

Arthur, Guinevere, Merlin and the knights arrived in the 5A classroom.

Arthur looked at the date on the board.

A pupil was reading the Guinness Book of Records.

Oh look ! This is my descendant Merlin Junior !

Merlin called Junior to help them make a magic potion.

Abracada...BOOM !

"The longest beard for a young man"

Suddenly Junior appeared !

They prepared a magic potion to send them back home.

Merlin drank the potion...

... and then Queen Guinevere.

Thank you for your help,
Junior!

Merlin said goodbye to Junior.

Good-bye !

The pupils said goodbye to the knights.

Adieu!

This is the end of the story of Arthur and the Round Table Knights in Questembert.
