his apprentices

THE 5F CLASS

Mordred's knight

I will my
dear sister,
I will!

Mordred, **you** should be
the king not that Arthur,
you must fight him and
win!

a few days later...

*Arthur's kingdom is in a festive mood and nobody
can possibly imagine what is going to happen...*

I'm here for
your
kingdom
Arthur!

Ah Ah Ah
Mordred,
You are always
so funnu...

Don't be so sure!
We will fight and
someone will die
but it will not be
me!

I'm serious
Arthur, We will
fight and you
will die!

On the
battlefield...

Lancelot has managed to kill Evil Mordred's
knights...

But unfortunately, Mordred has managed to kill Arthur...

And Guinevere mourns her beloved

Lancelot and Guinevere decide to go and see Merlin, they are sure he can fix this with one of his magical potions.

Here are two lists of the ingredients I need for the king's potion! Go find them and hurry, we don't have much time!

So Merlin wants:
2 snake tongues
15 tsp of toad slime
15 cat hairs
1 very special daisy

and 8 mushrooms
43 mouse teeth
7 tsp of ghost dust
and 4 owl eyes

The little apprentices help Merlin prepare the potion...

Then hurry to give it to Arthur, praying it won't be too

late...

After a few minutes, Arthur wakes up but it turns out he is all blue...

Then pink... what's happening?

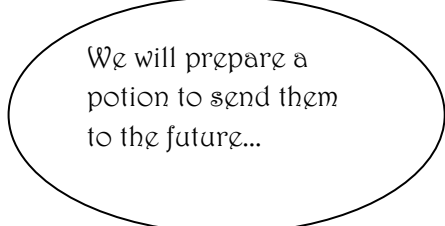

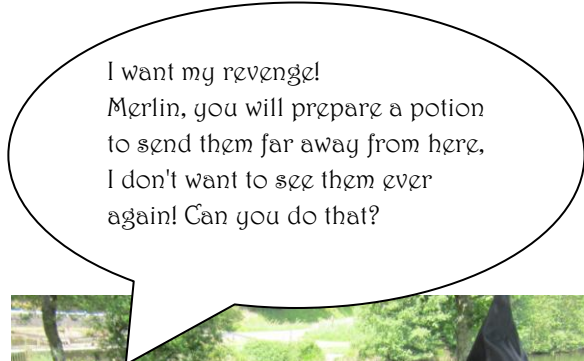

I don't understand what happened?

I know now what happened! You gave me the wrong ingredients! I will go and find them myself! Wait for me there and don't touch anything!

aaaaaaaaaaaa
aaaaahhhhhhhh
hhhhhhhhh

Here is your
sword my dear
King!

THE END

with special thanks to Romane.

Where
are we?
